Murder - John Steinbeck 2005

In May 2005 Penguin will publish 70 unique titles to celebrate the company's 70th birthday. The titles in the Pocket Penguins series are emblematic of the renowned breadth of quality of the Penguin list and will hark back to Penguin founder Allen Lane's vision of good books for all'. gave a powerful voice to the suffering poor of America during the Depression and beyond, and Penguin have made the whole range of his most well-loved novels including *The Grapes of Wrath* and *Of Mice and Men* and his lesser known works available to millions of readers. These four tales consider the struggle for survival in 1940s America, against a backdrop of majestic beauty.

Logical Reasoning - Bradley Harris Dowden 1993

This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.

Tortilla Flat - John Steinbeck 1986

Danny, a mule skinner during the First World War, returns to Tortilla Flat to enjoy the carefree and amoral life of the paisano

Separate Pasts - Melton A. McLaurin 2010-12-01

In *Separate Pasts* Melton A. McLaurin honestly and plainly recalls his boyhood during the 1950s, an era when segregation existed unchallenged in the rural South. In his small hometown of Wade, North Carolina, whites and blacks lived and worked within each other's shadows, yet were separated by the history they shared. *Separate Pasts* is the moving story of the bonds McLaurin formed with friends of both races—a testament to the power of human relationships to overcome even the most ingrained systems of oppression. A new afterword provides historical context for the development of segregation in North Carolina. In his poignant portrayal of contemporary Wade, McLaurin shows that, despite integration and the election of a black mayor, the legacy of racism remains.

Ghost on Black Mountain - Ann Hite 2011-09-13

ONCE A PERSON LEAVES THE MOUNTAIN, THEY NEVER COME BACK, NOT REALLY. THEY'RE LOST FOREVER. Nellie Clay married Hobbs Pritchard without even noticing he was a spell conjured into a man, a walking, talking ghost story. But her mama knew. She saw it in her tea leaves: death. Folks told Nellie to get off the mountain while she could, to go back home before it was too late. Hobbs wasn't nothing but trouble. He'd even killed a man. No telling what else. That mountain was haunted, and soon enough, Nellie would feel it too. One way or another, Hobbs would get what was coming to him. The ghosts would see to that. . . Told in the stunning voices of five women whose lives are inextricably bound when a murder takes place in rural Depression-era North Carolina, Ann Hite's unforgettable debut spans generations and conjures the best of Southern folk-lore—mystery, spirits, hoodoo, and the incomparable beauty of the Appalachian landscape.

Why Place Matters - Wilfred M. McClay 2014-02-25

Contemporary American society, with its emphasis on mobility and economic progress, all too often loses sight of the importance of a sense of "place" and community. Appreciating place is essential for building the strong local communities that cultivate civic engagement, public leadership, and many of the other goods that contribute to a flourishing human life. Do we, in losing our places, lose the crucial basis for healthy and resilient individual identity, and for the cultivation of public virtues? For one can't be a citizen without being a citizen of some place in particular; one isn't a citizen of a motel. And if these dangers are real and present ones, are there ways that intelligent public policy can begin

to address them constructively, by means of reasonable and democratic innovations that are likely to attract wide public support? *Why Place Matters* takes these concerns seriously, and its contributors seek to discover how, given the American people as they are, and American economic and social life as it now exists—and not as those things can be imagined to be in some utopian scheme—we can find means of fostering a richer and more sustaining way of life. The book is an anthology of essays exploring the contemporary problems of place and placelessness in American society. The book includes contributions from distinguished scholars and writers such as poet Dana Gioia (former chairman of the National Endowment for the Arts), geographer Yi-Fu Tuan, urbanist Witold Rybczynski, architect Philip Bess, essayists Christine Rosen and Ari Schulman, philosopher Roger Scruton, transportation planner Gary Toth, and historians Russell Jacoby and Joseph Amato.

Cry, the Peacock - Anita Desai

Cry, the Peacock is the story of a young girl, Maya, obsessed by a childhood prophecy of disaster. The author builds up an atmosphere of tension as torrid and oppressive as a stifling Indian summer, both in the crowded, colourful cities and the strangely beautiful countryside. Maya's extreme sensitivity never alienates the reader because it is rendered in terms of measurable human loneliness... How well Desai does in the business of carrying her narrative through to a satisfactory, even explosive end.' — *The Times Literary Supplement*, London

The End of Solitude - William Deresiewicz 2022-08-23

A passionate, probing collection gathering nearly thirty years of groundbreaking reflection on culture and society alongside four new essays, by one of our most respected essayists and critics. What is the internet doing to us? What is college for? What are the myths and metaphors we live by? These are the questions that William Deresiewicz has been pursuing over the course of his award-winning career. *The End of Solitude* brings together more than forty of his finest essays, including four that are published here for the first time. Ranging widely across the culture, they take up subjects as diverse as *Mad Men* and Harold Bloom, the significance of the hipster, and the purpose of art. Drawing on the past, they ask how we got where we are. Scrutinizing the present, they seek to understand how we can live more mindfully and freely, and they pose two fundamental questions: What does it mean to be an individual, and how can we sustain our individuality in an age of networks and groups?

Fast Food Nation - Eric Schlosser 2012

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Nickel and Dimed - Barbara Ehrenreich 2010-04-01

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest

occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you intend to live indoors. Nickel and Dimed reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, Nickel and Dimed is more relevant than ever.

U-X-L Encyclopedia of Weather and Natural Disasters - Gale Research Inc 2016-02-26

Voices in the City - Anita Desai 1965

Voices in the City is based on the life of the middle class intellectuals of Calcutta. It is an unforgettable story of a Bohemian brother and his two sisters caught in the crosscurrents of changing social values. In many ways the story reflects a vivid picture of India's social transition - a phase in which the older elements are not altogether dead, and the emergent ones not fully evolved. The novel describes the bitter effects of the urban living upon an Indian family. Brought up in luxury and magnificence by an over indulgent mother, Nirode settles down in Calcutta and becomes engrossed in its bohemian life, while his elder sister, Monisha lives out a servile existence within the rigid and stiff confines of a traditional Hindu family. Amla sees the city as a monster, Nirode sacrifices everything for his career, and Monisha cannot bear her stifling existence in the household of a wealthy old Calcutta family.

The Faithful Executioner - Joel F. Harrington 2013-03-19

Based on the rare and until now overlooked journal of a Renaissance-era executioner, the noted historian Joel F. Harrington's *The Faithful Executioner* takes us deep inside the alien world and thinking of Meister Frantz Schmidt of Nuremberg, who, during forty-five years as a professional executioner, personally put to death 394 individuals and tortured, flogged, or disfigured many hundreds more. But the picture that emerges of Schmidt from his personal papers is not that of a

monster. Could a man who routinely practiced such cruelty also be insightful, compassionate—even progressive? In *The Faithful Executioner*, Harrington vividly re-creates a life filled with stark contrasts, from the young apprentice's rigorous training under his executioner father to the adult Meister Frantz's juggling of familial duties with his work in the torture chamber and at the scaffold. With him we encounter brutal highwaymen, charming swindlers, and tragic unwed mothers accused of infanticide, as well as patrician senators, godly chaplains, and corrupt prison guards. Harrington teases out the hidden meanings and drama of Schmidt's journal, uncovering a touching tale of inherited shame and attempted redemption for the social pariah and his children. *The Faithful Executioner* offers not just the compelling firsthand perspective of a professional torturer and killer, but testimony of one man's lifelong struggle to reconcile his bloody craft with his deep religious faith. The biography of an ordinary man struggling for his soul, this groundbreaking book also offers an unparalleled panoramic view of Europe on the cusp of modernity, a society riven by violent conflict at all levels and encumbered by paranoia, superstition, and abuses of power. Thanks to an extraordinary historical source and its gifted interpreter, we recognize far more of ourselves than we might have expected in this intimate portrait of a professional killer from a faraway world.
