Legacy of Fire - David Mittler 2010-03-29
The St. James Orphanage fire, which in 1910 claimed the lives of twenty children and two adults, had for years fueled the imaginations of the people of Elkhaville. Rumors of ghastly screams and ghostly flames appearing at the

abandoned orphanage grounds in the dead of night spread throughout the town and beyond its borders. In 1962, cousins Tom and Chris Sabo, already intrigued by the mystery but further inspired by a news story in the Elkhville Chronicle, meet an eccentric old man who seems to have direct ties to the orphanage and its legendary past. The two boys, along with their new neighbor Sharon Smith, thus embark on a frightening trail fraught with adventure and danger as they search for and at last discover, during an unforgettable climax, the shocking truth about the tragedy at St. James Orphanage. *The Compu-mark Directory of U.S. Trademarks - 1991*

Big Bones - Laura Dockrill 2018-03-08

The heartwarming new novel from the sparkling Laura Dockrill, introducing Bluebelle, and her moving, hilarious take on food, body image and how we look after ourselves and others. It's a food diary. I have to tell the truth. That's the point. Bluebelle, aka BB, aka Big Bones - is a sixteen-year-old girl encouraged to tackle her weight even though she's perfectly happy, thank you, and getting on with her life and in love with food. Then a tragedy in the family forces BB to find a new relationship with her body and herself. . . Tuck in for best mates, belly laughs, boys and the best Bakewell tart. ---- Love for BIG BONES 'Big Bones is the book I wish I'd had as a teenager and Bluebelle is a friend I wish I had today. Laura has written a beautiful love letter to some of the most important things in life: friends, family and food.' Linsdey Kelk 'Stuffed with lashings of laugh-out-loud loveliness (just wait until you read about Bum Tills...), relatable real-life truths and love in all its complicated, dizzying forms (food-love,

friend-love, sisterly-love, boy-love, self-love), this is, quite simply, the best YA book about self-esteem and body image I've ever read'

The Cook's Oracle - William Kitchiner 2008-07

This edition of William Kitchiner's *The Cook's Oracle*, the American verison of the seventh edition published in 1830, is a complete reference of English cookery in the nineteenth century. An optician, inventor of telescopes, amateur musician and exceptional cook, Kitchiner was famous in the 19th century, both in England and America. In this work, he presents the recipes he cooked himself (the Prince Regent, later King George IV of England, was a frequent dinner guest), as well as

directions on how to cook these recipes in the most efficient and economical way.

[One to Nine](#) - Andrew Hodges 2010-05-14

Have you ever thought about the uniqueness and simplicity of One, or what it means to be Two? Is Four really so square and why are there Seven days of the week, Seven deadly sins, or even Seven wonders of the world? In *One to Nine*, Andrew Hodges brings numbers to life. Inspired by the popularity of Sudoku - and millennia of human attempts to figure things out - this pithy, kaleidoscopic book takes a fresh, witty and hands-on approach to such various topics as musical harmony, code breaking, and probabilities in poker and lotteries. It probes the surprising symmetries of time, space, matter, and forces. It even goes to the heart of what computers can do. Andrew Hodges weaves together the inner life of numbers - the patterns of primes and powers that we try to grasp, and that have us in their grip. Accessible to anyone with a general curiosity and interest in puzzles,

One to Nine might even have you completing a fiendish Sudoku in record time.

Finding Your Feet - Cass Lennox 2017-01-16

While on holiday in Toronto, Evie Whitmore planned to sightsee and meet other asexuals, not audition for a dance competition. Now she's representing Toronto's newest queer dance studio, despite never having danced before. Not only does she have to spend hours learning her routine, she has to do it with one of the grumpiest men she's ever met. Tyler turns out to be more than a dedicated dancer, though—he might be the kind of man who can sweep her off her feet, literally and figuratively. Tyler Davis has spent the last year recovering from an emotionally abusive relationship. So he doesn't need to be pushed into a rushed routine for a

dumb competition. Ticking major representation boxes for being trans and biracial isn't why he went into dance. But Evie turns out to be a dream student. In fact, she helps him remember just how good partnering can be, in all senses of the word. Teaching her the routine, however, raises ghosts for him, ones he's not sure he can handle. Plans change, and people change with them. Learning a few steps is one thing; learning to trust again is another entirely. ****See this title's page on RiptidePublishing.com for content warnings.****

Leadership, Organizational Change and Sensemaking - Ronald Skea 2021-06-04

Organizational change literature often focuses on the leaders role in giving sense to others of the need for change and there is a plethora of models and recipes on how to influence employees thinking about change, organizational design and performance. Notwithstanding this ready supply of advice, research has shown that up to 90% of change programs fail to deliver

their expected outcomes. One of the reasons for this which has been neglected in the literature is that successful change in thinking starts with how leaders first make sense of the need for change and the challenges this poses to their own thinking. This book surfaces the elements behind leader sensemaking that add to or detract from their ability to critically question their current thinking. Leaders and interventionists have lacked practical and pragmatic advice on how to influence the process. This book is the culmination of 10 years of research spent working with leaders in organizations as they interpreted the need for change and made choices about engaging, or not, with transformational change methodologies. It reveals nine elements of sensemaking displayed by organizational leaders as they grapple with challenges to their current orthodoxies about how to lead and organize in times of change. The book shows the latest state of knowledge on the topic and will be of interest

to researchers, academics, practitioners, and students in the fields of leadership, change, and organisational development.

Hebrew in Its West Semitic Setting - A. Murtonen 1986

This is the third and final volume of the lexical part of the work. Section Bb contains comparative material to the root system from cognate languages, including sixteen Semitic and three Cushitic fairly well represented languages as well as Tuareg, Hausa, old Egyptian and Coptic quoted systematically; Omotic; Berber other than Tuareg, and Chadic other than Hausa likewise as groups; other Semitic and Cushitic less regularly; etymological and semantic comments follow dictionary entries; phonological discussion, including an attempt at the determination of pre-Semitic phonemes on the basis of actual attestation, is mainly concentrated in the introduction. Sections CDE contain the numerals (under 100), pronouns and particles, Hebrew material

together with the comparative one and discussion after the entries.

Second Skin - Alex Whitehall 2016-04-11

When Jay heads to the university's learning center for help with his math class, he doesn't expect his tutor to be tall, dark, and handsome. But Roswell is all that and more, and their instant connection over cult movies, books, and TV shows quickly evolves into dating. That's when things get tricky. Roswell might claim he doesn't have issues with Jay being trans, but when he's constantly insisting they "take it slow," Jay's not so sure. He's been hurt before, and he's not going to let it happen again. But then Roswell reveals that he, too, has a few secrets under his skin.

Ezekiel in Talmud and Midrash - Jacob Neusner 2007

The Rabbis of classical Judaism, in the first six centuries of the Common Era, commented on the teachings of ancient Israel's prophets and

shaped, as much as they were shaped by, prophecy. They commented on much of the Scriptural heritage and they made it their own. This collection of the Rabbinic comments on biblical books makes easily accessible the Rabbinic reading of the prophetic heritage and opens the way to the study of how normative Judaism responded to the challenge of the prophetic writings.

Hey 13! - Gary Soto 2012-05-15

Being thirteen is happy, sad, humiliating, surprising, wonderful, awful, exciting, boring -- in other words, full of ups and downs. The thirteen-year-olds in Gary Soto's thirteen stories experience all this and more. In one story, a girl's world is turned upside down when she visits a college campus where she expects to find a rarified atmosphere of intellectual pursuit, only to meet a tour guide who is tattooed, overly pierced, hungover, and not at all focused on academics. In another, two girls test the attraction of their new bodies by flirting with

boys at a mall and then find themselves in an uncomfortable and somewhat frightening situation. The stories in this book are about family relationships, friendships, self-worth, and questions of integrity.

Burnt Toast Makes You Sing Good - Kathleen Flinn 2015-08-25

A delicious new memoir from the New York Times bestselling author of *The Sharper Your Knife, the Less You Cry*. A family history peppered with recipes, *Burnt Toast Makes You Sing Good* offers a humorous and flavorful tale spanning three generations as Kathleen Flinn returns to the mix of food and memoir readers loved in her New York Times bestseller, *The Sharper Your Knife, the Less You Cry*. Brimming with tasty anecdotes about Uncle Clarence's divine cornflake-crusting fried chicken, Grandpa Charles's spicy San Antonio chili, and Grandma Inez's birthday-only cinnamon rolls, Flinn—think Ruth Reichl topped with a dollop of Julia Child—shows how meals can be memories, and how cooking can be communication. *Burnt Toast Makes You Sing Good* will inspire readers (and book clubs) to reminisce about their own childhoods—and spend time in their kitchens making new memories of their own.

[The Burnt Toast B&B](#) - Heidi Belleau 2015-01-12
After breaking his arm on set, Wolf's Landing

stuntman Ginsberg Sloan finds himself temporarily out of work. Luckily, Bluewater Bay's worst B&B has cheap long-term rates, and Ginsberg's not too proud to take advantage of them. Derrick Richards, a grizzled laid-off logger, inherited the B&B after his parents' untimely deaths. Making beds and cooking sunny-side-up eggs is hardly Derrick's idea of a man's way to make a living, but just as he's decided to shut the place down, Ginsberg shows up on his doorstep, pitiful and soaking wet, and Derrick can hardly send him packing. Not outright, at least. The plan? Carry on the B&B's tradition of terrible customer service and even worse food until the pampered city boy leaves voluntarily. What Derrick doesn't count on, though, is that the lousier he gets at hosting, the more he convinces bored, busybody Ginsberg to try to get the B&B back on track. And he definitely doesn't count on the growing attraction between them, or how much more he learns from Ginsberg than how to put out

kitchen fires.

Trials of Love - Alexia Adams 2017-02-20

These legal eagles might love their law and order, but they also know how to have a gavel-banging good time. Can late-night debriefings develop into lasting love for these ten couples? You be the judge! Her Faux Fiancé: Hotshot corporate lawyer Erik Sigurdson breezes into town determined to survive a family reunion. He makes his ex, Analise Thordarson, an irresistible offer: pretend to be his fiancée and he'll lend her the money to pay off her grandfather's debts. But when their fake engagement is complicated by a real pregnancy, they must sort out who is using whom and if this faux relationship could lead to a real future. Bride by the Book: Small-town Arkansas attorney Garner Holt needs an assistant to sort out his cluttered office, but he didn't expect a super-secretary like Miss

Angelina Brownwood. She's perfect until an online search reveals a flaw: Angelina isn't a secretary. Does her secret mean he can't make this unique woman his for life? One Day's Loving: Mae Alden likes her quiet life—she's certainly not cut out to defy convention like her sisters. But everything changes when Boston attorney James Collins reads her father's will and Mae must choose between who she is and the marriage everyone expects. Could James himself offer the answer to both? The Amulet: In their first life, Jackson Hawthorne was forced to watch as his fiancée was tried, convicted, and hung. Now an attorney in modern-day Salem, Massachusetts, can he get to the bottom of the mysterious threats to gorgeous Abby Corey's life—and stop history from repeating itself? Find Me: Amanda Gillespie never bargained on seeing Jackson Holstenar again after she was asked to leave the law firm where they worked. Now he's in the weird position of trying to help her become his best pal's ideal girl. With a little help

from fate, these two confused hearts might just find a way back to each other for good. Looking for Prince Charming: Glory agrees to pose as her fellow lawyer and boss's girlfriend while he campaigns for Lord Mayor of Melbourne—which might not be the best idea since she's already in love with the charming playboy. Counterpoint: The attorney general assigns Ciara Alafita to find out if defense attorney Bryce Gannon is corrupt, but this take-no-prisoners defense attorney is as elusive as the identity of the person trying to kill him. If she can't convince Bryce to let the feds protect him or to give up his current case, she might never get the chance to admit the truth or her feelings to him. Trial Run: Nina Ryan was just doing her sister a favor when she agreed to sit on a mock jury to help form a defense for a confessed killer. But the evidence isn't clear-cut, and it seems David Maitland, the sexy new guy in town that she's falling for, might have something to do with this case. When the suspect ends up dead, can Nina accept some

harsh realities to her future with David? Dangerous Decisions: Someone is feeding the feds info on alleged illegal activities at the Franklin Everly law firm, and there's enough evidence to put Carino Montgomery in the hot seat when hired gun Ramon Terrones arrives to uncover the mole. But from the moment they meet, Ramon relentlessly pursues Carino, triggering a whirlwind romance packed with fierce emotions and secrets that won't remain buried. Unmasking Love: Sparks fly when Julie Payne meets Trace Watkins at a costume party, and they end the night beneath the sheets while literally hiding behind their masks. But their real identities present a serious snag: Trace manages the bank Julie happens to be suing for her client. Will they turn this nasty trick of fate into a treat? Sensuality Level: Sensual

A Collection of Crime Scenes - Corbet Dean 2007-04

In the art world, law enforcement is often portrayed as an abusive institution. However, the writing of peace officer Corbet Dean has deeply affected many of the experts: "Corbet transcends stereotypes, shifts paradigms, and genuinely reaches. Him and faith, they've got the same hunger-punch." -Buddy Wakefield,

Individual World Poetry Champion "Corbet Dean is an example of slam's original intention: to give a voice to people from all walks of life, and to find a choir of truth in what we all say." -Marc Smith, founder of the Poetry Slam "Very few poets have been down his road. No one else can tell his stories. Corbet has a voice that goes back in time, to those moments we avoid and forget. He goes there so we don't have to. And if you do go, he's willing to stand with you and be the light. If you don't get Corbet Dean, you're probably lost. This here is one of my favorite humans. Let him guide you." -Mighty Mike McGee, Individual World Poetry Champion A Collection of Crime Scenes provides compelling stories about love, philosophy, and law enforcement. By communicating the heart and detail of such complex issues, Corbet Dean offers an unforgettable glimpse at urban life through the eyes of a police officer.
