My First Five Husbands...And the Ones Who Got Away - Rue McClanahan 2007-04-10

Rue McClanahan, best known for her portrayal of Blanche Devereaux on the Emmy-award winning series *The Golden Girls* reveals her life in and out of the spotlight in a laugh-out-loud funny memoir about love, marriage, men, and getting older that is every bit as colorful as the characters she played. Raised in small-town Oklahoma in a house "thirteen telephone poles past the standpipe north of town," Rue developed her two great passions—theater and men—at an early age. She arrived in New York City in 1957 with two-weeks worth of money in her pocket, hustled her way into a class with the legendary Uta Hagen, and began working her way up in the acting world against the vibrant, free-spirited backdrop of the sixties. That's when she met and married Husband #1—a handsome rogue of an aspiring actor who quickly left her with a young son. Still, she was determined to make it on the stage and screen—and in the years that followed, rose to the top of the entertainment world with a host of adventures (and husbands) along the way. From her roles on Broadway opposite Dustin Hoffman and Brad Davis, to her first television appearances on *Maude* and *All in the Family*, to the *Golden Girls* era and beyond, *My First Five Husbands* is the irresistible story of one woman's quest to find herself. Rue is proof that many things can and do get better with age—and that, if she keeps her wits about her, even a small-town girl can make it big. People always ask me if I'm like Blanche. And I say, "Well, Blanche was an oversexed, self-involved, man-crazy, vain Southern Belle from Atlanta—and I'm not from Atlanta!" —Rue McClanahan

Wade*. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

The Friend Who Got Away - Jenny Offill 2007-12-18

Losing a friend can be as painful and as agonizing as a divorce or the end of a love affair, yet it is rarely written about or even discussed. THE FRIEND WHO GOT AWAY is the first book to address this near-universal experience, bringing together the brave, eloquent voices of writers like Francine Prose, Katie Roiphe, Dorothy Allison, Elizabeth Strout, Ann Hood, Diana Abu Jabar, Vivian Gornick, Helen Schulman, and many others. Some write of friends who have drifted away, others of sudden breakups that took them by surprise. Some even celebrate their liberation from unhealthy or destructive relationships. Yet at the heart of each story is the recognition of a loss that will never be forgotten. From stories about friendships that dissolved when one person revealed a hidden self or moved into a different world, to tales of relationships sabotaged by competition, personal ambition, or careless indifference, THE FRIEND WHO GOT AWAY casts new light on the meaning and nature of women's friendships. Katie Roiphe writes with regret about the period in her life when even close friends seemed expendable compared to men and sex. Mary Morris reveals how a loan led to the unraveling of a lifelong friendship. Vivian Gornick explores how intellectual differences eroded the bond between once inseparable companions. And two contributors, once best friends, tell both sides of the story that led to their painful breakup. Written especially for this anthology and touched with humor, sadness, and sometimes anger, these extraordinary pieces

simultaneously evoke the uniqueness of each situation and illuminate the universal emotions evoked by the loss of a friend.

Win Your Breakup: How to Be The One That Got Away - Natasha Adamo 2022-01-11

You picked up this book because your breakup has been reduced to something that you feel you must "win" to emotionally survive and move on. This reduction can only take place if you were involved with a toxic person. Toxic people are selfish, empathetically bankrupt, and have a limited relationship with reality. Anyone who feels validated by exploiting your hunger for theirs is toxic to your peace, your life, and your mental health. Breakups aren't won by game-playing or vilifying your ex. They're won by realizing that winning is losing a partner who has proven to be a dead end. A new life is waiting for you at the end of this journey. In *Win Your Breakup*, relationship and self-help coach Natasha Adamo presents the opportunity for a life with relationships that you don't have to tolerate and eggshell-walk your way through. It's a life in which your ex regrets the day they ever decided to breach your trust and break your heart; a life in which those who took you for granted wish you could find a way back into theirs. In this life, you can choose to walk away from toxicity—no more trying to be the person someone may want, may commit to, may be honest with, and may treat with respect. This life is about to be your own.

The One That Got Away - Zo Wicomb 2009-11-26

THE APPEARANCE OF ZOE WICOMB'S first set of short stories, *You Can't Get Lost in Cape Town*, precipitated an ardent international fan club that has come to include the writers Toni Morrison, J.M. Coetzee, Bharati Mukherjee, and Gayatri Chakravorty Spivak, as well as critics at the *New York Times*, the *Times of London*, the *Wall Street Journal*, the *New Yorker*, and the *Christian Science Monitor*. Now, after two novels, Wicomb returns to the genre that first brought her international acclaim. Set mostly in Cape Town and Glasgow, Wicomb's new collection of short stories straddles dual worlds. An array of characters drawn with extraordinary acuity inhabit a complexly interconnected, twenty-first-century universe. The twelve stories in this collection, most previously unpublished, explore a spectrum of human relationships: marriage, friendship, family ties, neighbors, and relations between those who serve and are served. Wicomb's intriguing characters include the adolescent girl Elsie, navigating between her new life in the icy city of Glasgow and her family's vexed history in South Africa, and Dot and Julie, a pair of friends once united by the color of their skin and now discovering how time and marriage have divided their paths. Wicomb's fluid, shifting technique questions conventional certainties and makes for exhilarating reading, full of ironic twists, ambiguities, and moments of startling insight. Long awaited, *The One That Got Away* showcases this brilliant, award-winning author at the height of her powers.

The One That Got Away - Ken Haley 2021-11

'A moving and funny chronicle of questing and courage in the age of coronavirus.' Margaret Simons, author of *Cry Me A River* and *Penny Wong: Passion and Principle* In 2020, Australian author Ken Haley mapped out an enticing menu of travel destinations, comprising the Caribbean island states for main course, with Central America for dessert. Main course soon turned into obstacle course. Cuba was a breeze, but then the world went into Covid lockdown mode and he had to decide whether to push on. As a pioneer wheelchair traveller, Haley knew exactly what to do. He took the brakes off. After an unplanned detour to Trumpian Florida, he returned to the tropics intent on dividing his time between sun worship, historical exploration and observation of life's realities for the community of West Indian nations. In a year that wasn't long on fun, Haley had his share but he also met his quota of hardship and risks - from developing hurricanes to a no-longer-dormant volcano, from robbery to an acute health crisis that had him wondering whether he might have been wiser to buy a one-way ticket in advance. 2020 was the year most of us stayed at home. Ken Haley turned an accident of timing into a rollicking, but dangerous adventure. The result is a triumph: a humorous and penetrating insight into a world grappling with an unforeseen calamity and a rare and empathetic travel book.

The Man Who Walked Away - Maud Casey 2014-03-04

In a trance-like state, Albert walks-from Bordeaux to Poitiers, from Chaumont to Macon, and farther afield to Turkey, Austria, Russia-all over Europe. When he walks, he is called a vagrant, a mad man. He is chased out of towns and villages, ridiculed and imprisoned. When the reverie of his walking ends, he's left wondering where he is, with no memory of how he got there. His past exists only in fleeting images. Loosely based on the case history of Albert Dadas, a psychiatric patient in the hospital of St. André in Bordeaux in the nineteenth century, *The Man Who Walked Away* imagines Albert's wanderings and the anguish that caused him to seek treatment with a doctor who would create a diagnosis for him, a narrative for his pain. In a time when mental health diagnosis is still as much art as science, Maud Casey takes us back to its tentative beginnings and offers us an intimate relationship between one doctor and his patient as, together, they attempt to reassemble a lost life. Through Albert she gives us a portrait of a man untethered from place and time who, in spite of himself, kept setting out, again and again, in search of wonder and astonishment.

The One that Got Away - Howell Raines 2006-05-16

"Lost fish," writes Howell Raines, "chasten us to the knowledge that we are all, in each and every moment, dwindling. Imagine my surprise when I discovered well into my sixth decade that losing fish can prepare us for a blessing as well as for pain." Confronting loss -- of an elusive fish or something larger -- is at the heart of *The One That Got Away*, the graceful sequel to Raines's much-loved, bestselling memoir *Fly Fishing Through the Midlife Crisis*, published to great acclaim in 1993. With the same winning combination of reminiscences, anecdotes, philosophy and fishing lore, his bold new memoir covers the eventful years in this latest passage of his life, and the realization that in relinquishing his former identity as a newspaperman he has actually gotten what he wanted, just in the most unlikely way. In wry and witty prose, Raines shifts between fishing vignettes and personal reflections on his childhood, his second marriage, his relationships with his two sons, the trajectory of his career at *The New York Times* and his move toward old age. At the center of his narrative is his most thrilling fishing adventure -- an epic battle with a marlin he hooked and fought for more than seven hours in the South Pacific -- which comes to symbolize his growing understanding and acceptance of the unpredictability of luck, love, lies and life, and how the unexpected can, in fact, be an opportunity to make life more interesting. Raines's wonderful descriptions of streams, people and fish; his passion

for angling and writing; and his wise and perceptive commentary on the vagaries of his own life combine to create a profound book -- one of undeniable appeal and uncommon heart.
