Get Through MRCOG Part 3 - T. Justin Clark
2018-09-03

This study guide offers a systematic, comprehensive and focused approach to preparation for the MRCOG Part 3 Clinical Assessment exam. After an initial introduction, the text divides by OSCE station, beginning with an analysis of what the station is testing and what approaches and preparation are required, supported by tips and examples; this is followed by thoroughly worked practice questions based upon the exam format, with an analysis of how these are likely to be marked. Practice exam 'circuits' with fully worked questions and answers conclude the book.

SBAs for the MRCOG - Mirka Slavka
2017-09-04

The Part 2 MRCOG exam consists of single best answer questions (SBAs) and extended matching questions (EMQs). It is vital that candidates have revised in accordance with the recommended syllabus and practiced relevant questions for the exam. The 3 authors of SBAs for MRCOG Part 2 have all recently sat the exam themselves, and were therefore able to identify gaps in the SBAs that previously were not addressed or assessed by available literature. This book provides questions and answers, explanations and references, which cover every subject, including clinical governance, statistics, colposcopy and HPV, oncology, fertility, urogynaecology and maternal mortality. SBAs for MRCOG Part 2 is divided in two parts: questions and answers. The first part contains over 300 questions covering 18 recommended modules. These are then

followed by mock gynaecology and obstetrics exams, each with the requisite 50 questions. The second part gives the answers to each question, as well as a thorough explanation and also an up to date reference for further reading. This book can be used for individual reading or as source material for group revision.

EMQs for the MRCOG Part 2 - Andrea Pilkington

Short Essay Questions for the MRCOG - Pallavi Latthe
2001-08-31

Modelled on the current MRCOG syllabus, this book has been carefully designed to assist the candidate in preparation for the short essay paper of the written MRCOG Part 2 examinations. The book comprises three important elements. 1) An Introductory section outlining all the candidate needs to know when writing short essays - how to tackle the questions, how to structure the answers, how to search for evidence during revision and other advice and background information 2) A section of 10 practice papers comprising 50 questions in obstetrics and 50 in gynaecology, with comprehensive answers indicating specific points where marks are allocated 3) A section of 5 practice papers for candidates to test themselves under mock examination conditions In this way, the text provides the candidate with a firm grounding in examination principles and techniques, relevant to both the short essay paper and other components of the MRCOG Part 2 examination. With core areas of the syllabus firmly in mind, and a generous number of practice papers included this will be an

invaluable guide to all those in preparation for the MRCOG Part 2 examination.
