Gottfried 2020-09-10

The book presents 67 major portraits and 8 genre paintings alongside detailed accounts of the subject and work, followed by essays by leading scholars that take us inside Lindauer and his world: from his artistic training in Bohemia to his travels around New Zealand as Maori and Pakeha commissioned him to paint portraits; his artistic techniques and deep relationship with photography; Henry Partridge's gallery of Lindauer works on Queen Street in Auckland where Maori visited to see their ancestors; and the afterlife of the paintings in marae and memory. Published in association with Auckland Art Gallery Toi o Tamaki.
