Suddenly Dirty - J. Low 2016-04-14

He was everything she wasn't looking for ... Finding a naked rock star in my bed was not how I saw my new life starting. Especially when that rock star is Evan Wyld, guitarist of the hottest band on the planet, Dirty Texas. He looks dirty as sin with colorful tattoos, muscles and piercings in all the right places. Summer is about to heat up as I join Dirty Texas on their European tour. She was everything he wasn't ready for... Sienna Hayes is off limits, but ever since the blonde bombshell accidentally climbed into my bed, I've been fantasizing about the ways I could help her get over her ex. She has baggage, but I'm known for being a good time. Maybe I can be her rebound, help put her back together again. One little taste can't hurt; can it?"

Sure I can. No big deal... it's not like I'm going to fall for them or anything, right? \*\*\* Sexy Italian Max has had the starring lead in some hot dreams and wild nights for Lauren. But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they

have their own secrets, their own tragedies together. Their own cravings . . . *Joyless* - Nyla K 2021-09-30

Correctional officers get a bad rep. But in our case, it's fully justified. We're not good people? We're guard dogs. As twisted as the inmates we patrol, courtesy of the monster who created us. Prisoners ourselves on an island of manipulation, we've spent years drowning in vices to dull reality. If these walls could talk, I'm telling you? they'd scream. They call me Velle, but that's Officer Chevelle to you. Hands dirtier than my mind, I have no qualms with staying ruthless to keep these creatures in line. And I'm not alone. Joy Jameson is my partner in crime, and my ex. Together we rule Alabaster Isle like Bonnie and Clyde, only prettier and far more dangerous. It's the two of us against this wicked, secluded world. Until he shows up? Although we need him, the rookie is a problem. Flipping me upside down, using my own hidden desires to tempt me. Rook... with his green eyes and country boy smile? He has no business luring me

into something that will get everyone hurt. Let it be known, denying myself while dominating this role is my default setting. But with him in the picture, I'm struggling to keep it intact. The mask is slipping, control I can't lose wavering as we welcome our newest psycho to the roster. Let's hope, for all our sakes, Inmate #101 doesn't do anything stupid.

**Distorted** - Nyla K 2021-03-18

This is Alabaster Penitentiary? Where they send you when the world thinks you're dead. And trust me, you'll wish you were. We're the stain on society. The freaks, the creeps, your favorite Netflix documentaries come to life. They lock us up and throw away the key, because we deserve it. But not me. I'm just a lowly bank robber. I don't belong here, surrounded by psychopaths and killers with no remorse? At least, I don't think I do. Getting by unscathed is my top priority. Unfortunately for me and my fellow prisoners, those in charge are more dangerous than we are. You see, the guards run the show, and I seem to have caught the attention of the most twisted one. He has a name, but it might as well be Officer. We move around one another like a sun and a moon, revolving in an axis of confused lust and torment until the truth is distorted, and the thing I once feared becomes that which I crave; my vile addiction, somehow so exquisite. Reality warps in the dungeon, and

I'm left wondering which prison is worse? the one holding my body, or my mind.
